Re: FEC ID # C00007880

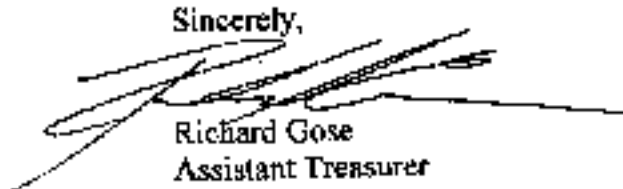

Dear Ms. Kitchen:

In response to your inquiry dated January 27, 1999 attached is the amended September monthly report. The checks dated 8/7/98 to Hastert for Congress Committee and Woolsey for Congress were incorrectly reported as being designated for the 1998 Primary election. However, the checks were actually written for the 1998 General. Until September our checks were written manually and the errors occurred while transferring the data into our system.

This is also the case for the 8/7/98 Friends of Conrad Burns check that was erroneously reported as being designated for the 1998 Primary election. Conrad Burns will be a candidate for reelection in 2000 and the check was intended for the 2000 General election.

If you require any further information concerning this report, please contact me at (202) 682-4200.

Sincerely,

Richard Gose
Assistant Treasurer
